

Exclusions

This warranty covers only failures due to manufacturing faults that occur during normal use. This warranty does not extend to faults resulting from normal wear, misuse, abuse, corrosion, damage incurred during loading or transportation, where the SMARTBAR equipment has been used other than as recommended by Les Mills or modified without the consent of Les Mills or improper storage. This warranty is invalid where the SMARTBAR equipment does not bear its original manufacturer's serial number sticker or where the sticker has been removed, altered or tampered with in any way. The warranty is invalid where the SMARTBAR equipment that is the subject of the warranty claim has been disposed of prior to a warranty claim being closed by Les Mills. Neither Les Mills nor its authorised local SMARTBAR equipment distributor will be liable for any defects due to reasons beyond their control or for consequential damages or for breach of any implied warranty on the range of SMARTBAR equipment.

Claim Process

In the event that you want to make a warranty claim, in the first instance complete and submit the Warranty Claim Form to us (available on our website www.lesmills.com/smartbar), including the following details:

1. Serial number of the faulty SMARTBAR equipment (located on the inside of the release handle).
2. Date of delivery of the faulty SMARTBAR equipment to the original purchaser.
3. Proof of purchase. Please retain your invoice in a safe place as proof of purchase as it is a precondition to any warranty action.
4. Information about the place and conditions of use of the SMARTBAR equipment (home, gym etc.).
5. Precise description of the fault (including photographs of the faulty SMARTBAR equipment).

Les Mills' local SMARTBAR distributor will liaise with us to assess the issue and determine if the warranty applies. We will then work with our local SMARTBAR distributor to repair or replace the product. If we ask you to return the faulty SMARTBAR equipment, we will cover the cost of doing so.

Enquiries

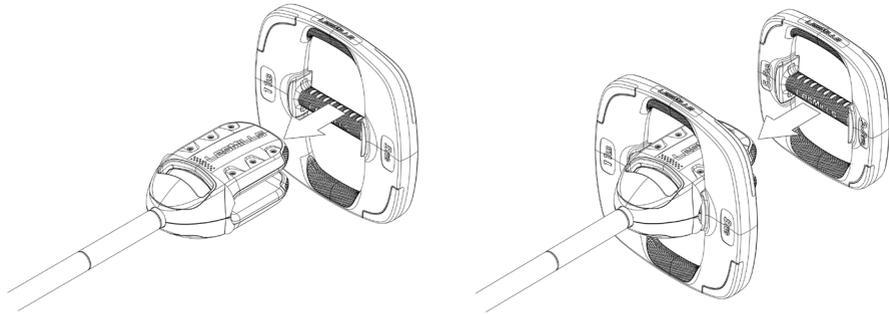

Enquiries regarding warranties should be made to Les Mills at smartbar@lesmills.com or your local Les Mills-authorized SMARTBAR equipment distributor.

LES MILLS SMARTBAR

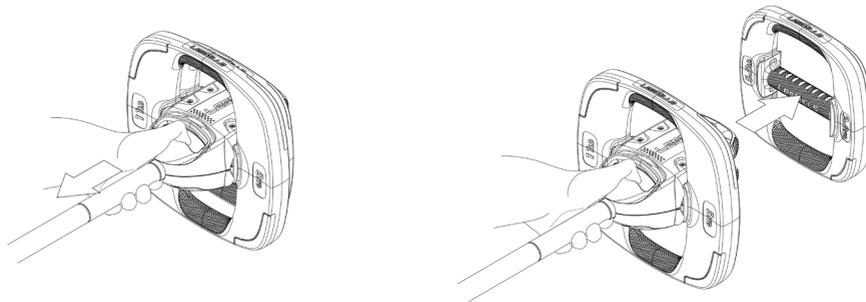

INSTRUCTIONS FOR USE

INSTRUCTIONS FOR USE

Slide the SMARTBAR weights plates into the gator head, ensuring that the weights plate locks securely into place. Load weights plates one by one up to a maximum of three weights plates (of any weight) on each side. Load weights from largest to smallest so that the heaviest weight sits on the inside of the gator (i.e. closest to where it attaches to the bar).

To release a weight plate, lay the SMARTBAR bar on the ground and pull the red handle towards the centre of the bar and then slide the weight off the bar. Remove weights one by one. Do not drop or hold the bar vertically at any time to add/remove the weights or during use or storage. A video showing this process can be found at: <https://www.lesmills.com/merchandise/equipment/care/>

Do not drop or throw or knock the SMARTBAR bar or weight plates. This will help to avoid damage to the item finish or item itself.

Do not leave the SMARTBAR bar (with or without weight plates attached) hanging over SMARTSTEP equipment, other platform or bench equipment or any other surface where the gator(s) is/are hanging off the ground.

SMARTBAR EQUIPMENT – WARRANTY INFORMATION

PERSONAL USE CUSTOMERS ONLY

As a consumer, you are entitled to the applicable legal rights stated in your national legislation concerning the commerce of consumer goods. This warranty does not restrict these rights.

At Les Mills Merchandise Limited (Les Mills) we stand behind our materials and manufacturing and offer customers who purchase SMARTBAR equipment a warranty on all SMARTBAR Equipment for manufacturing faults caused by materials or labour that occur during the warranty period. Les Mills' local SMARTBAR distributor will, at its discretion, either repair or replace faulty SMARTBAR equipment in accordance with the conditions set out below.

Warranty Terms

This warranty is valid only in countries where Les Mills has an authorised SMARTBAR equipment distributor. It covers manufacturing faults occurring during the warranty period in SMARTBAR equipment purchased from Les Mills or a distributor authorised by

Les Mills. The warranty applies only to the original purchaser and does not cover second hand equipment or re-sold equipment. The equipment must remain in the possession of the original buyer/owner and bear the original manufacturer's serial number. The warranty period commences from the date on which the original buyer purchases the equipment. Warranty repairs will not extend the warranty period.

When using or handling your SMARTBAR equipment, do not bring it into contact with sharp or abrasive objects/materials including jewellery.

INSTRUCTIONS FOR STORAGE AND CARE

Store indoors in a SMARTBAR Equipment Storage Rack, or horizontally on a solid, level surface. Do not store the SMARTBAR bar on its end vertically. Ensure weight plates are removed from the bar for storage.

Do not store the SMARTBAR equipment in extreme temperatures (<-5 degrees Celsius ; >50 degrees Celsius). Keep product stored away from moisture or direct heat.

Regularly clean SMARTBAR equipment by wiping down with a damp soft cloth using mild detergent (if necessary).

Do not use the SMARTBAR equipment outside or on non-standard gym/studio flooring.
