## What's Initial Training?

- Initial training is a mix of lectures, practical workout sessions and teaching practice.
- You'll learn how to safely and effectively teach the specific Les Mills program.
- You can choose either a 2-day live training or a 2-day online training.
- Attend plenty of workouts in the program you want to teach to prepare for the Initial training.

## What's Advanced Training?

- Advanced Training is designed to identify your personal strengths and become grounded in the essence of your program.
- It's focused on how to enhance the workout experience for your participant and pack your classes.
- You'll explore why you love to teach, what values and beliefs drive you to take on the stage week after week.
- You'll learn hands-on tools in the connection, motivation and education elements.
- You can choose either a 2-day live training or a 2-day online training.

## What's Group Fitness Management?

- GFM is a course designed for you who currently work as a Group Fitness Manager as well as for you who plan to become one.
- You'll learn efficient leadership framework, cutting-edge management tools and how to bulletproof your action plan.
- You'll learn how to manage group fitness to drive growth and increasing retention at your facility.
- You can attend the 2-day course either live or via a digital classroom.
